**OFFICE OF PETITIONS**

In re Application of	:	
Pengfei Zhang, et. al.	:	
Application No. 10/762,791	:	ON PETITION
Filed: January 23, 2004	:	
Attorney Docket No. 026661-004310US	:	

This is a decision on the petition under 37 CFR 1.137(b), on February 12, 2007, to revive the above-identified application.

The application became abandoned for failure to timely respond to the Restriction/Election Requirement mailed July 3, 2006. A Notice of Abandonment was mailed on January 22, 2007.

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay was unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must so notify the Office.

Further, there is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. In accordance with 37 CFR 1.34(a), the signature of Michael L. Gencarella appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he is authorized to represent the particular party in whose behalf he acts. However, if Mr. Gencarella desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. A courtesy copy of this

decision is being mailed to petitioner. Nevertheless, all future correspondence regarding this application file will be directed solely to the address of record until otherwise instructed.

The petition satisfies the requirements of 37 CFR 1.137(b), in that, petitioner has supplied (1) an election; (2) the petition fee of \$750; and (3) a proper statement of unintentional delay. Therefore, the petition is **GRANTED**.

This application file is being referred to Technology Center Art Unit 2825, for further processing.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3226.

A handwritten signature in black ink, appearing to read 'Andrea Smith', written in a cursive style.
